INSTRUCTIONAL BULLETIN NO. 96-1

SUBJECT: Moving Item Sheet
EFFECTIVE DATE: January 15, 1996
SUPERSEDES: None
RE: None

Under the "Work To Be Done" column on the above subject sheet, the term "See R/W Special Provisions" should not be used, unless you know that the moving item work is described in the right of way instrument. Most moving items are not written into the right of way special provisions. The above mentioned term is confusing to contractors when they are reviewing the work to be done and no description of the work is included in the right of way special provisions.
